Everblooming ROSES

You and Your Friends will be Delighted with their Beauty, Fragrance and Gorgeous Colors. All our plants are AA grade which means the best. For best effect space these Roses 18 inches apart.

GRUSS AN TEPLITZ (Red)

This magnificent everblooming Rose is ranked among the best in its color class and for its fragrance. Thrives and blooms consistently. Ideal for cutting. Very hardy. Each \$1.20; 3 or more, each \$1.10.

PINK RADIANCE (Pink)

If you want to enjoy the most beautiful, the most perfect everblooming pink Rose then be sure to plant this one. Each \$1.20; 3 or more, each \$1.10.

F. K. DRUSCHKI (White)

The best of all white Roses. Vigorous producer of large, perfect shaped blooms. Sturdy plant and continuous bloomer. Each \$1.20; 3 or more, each \$1.10.

SUTTER'S GOLD (Yellow)

Yellow shaded with orange and red. All-America Award Winner. A fragrance richer than that of any other yellow Rose. Very free blooming and perfect for cutting. Each \$2.25; 3 or more, each \$2.00.

MCGREDY'S YELLOW (Bright yellow)

Bright yellow with perfect form. Very fragrant. Buds beautifully shaped. A gorgeous Rose. Each \$1.20; 3 or more, each \$1.10.

GROOTENDORST (Supreme)

Clusters of small red double Roses. Blooms steadily. Very hardy, makes an ideal everblooming low hedge about 2 ft. high. Each \$1.20; 3 or more, each \$1.10.

CLIMBING ROSE, BLAZE (Red)

Today's most brilliant and popular Climbing Red Rose. Hardy and dependable. A profuse bloomer, flowers fairly large, very vivid red. Each \$1.50; 3 or more, each \$1.35.

MOJAVE (Plant Patent No. 1176)

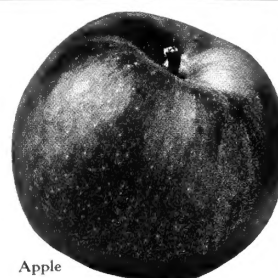

1954 All-America Winner. Rich in coloring with flame-like tones of scarlet and vermilion. Each \$3.00; 3 or more, each \$2.65.

LILIBET (Rose-pink)

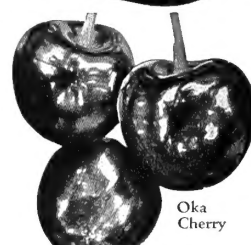

(Named in honor of Her Majesty, Queen Elizabeth (it was her childhood name). One of the finest plants to be found in the Floribundas. Lilibet unfolds amazing numbers of blooms in big clusters. Each \$2.50; 3 or more, each \$2.20.

PEACE

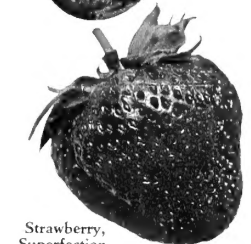

All-America Award Winner. One of the world's greatest Roses. Delicate tints of yellow, cream, buff and apple blossom. The blooms are exceptionally lovely. Each \$2.50; 3 or more, each \$2.20.

Apple

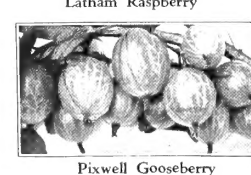

Oka Cherry

Strawberry, Superfection

Latham Raspberry

Pixwell Gooseberry

Delicious, Healthy FRUIT

Order Early!

APPLES - CRABS

APPLES: Haralson, Red Duchess, Wealthy, Anoka, Northwest Greening.

CRABS: Dolga, Whitney.

These are the hardiest varieties for this northern area. Plant several different kinds so they will cross-pollinate. Select transplants, 3 ft. and up. Each \$1.50; 3 or more, each \$1.35.

PLUMS

Underwood, Waneta, Superior, Opata. These are large hybrid varieties that bear immense crops of fruit and are very hardy. Select transplants, 3 ft. and up. Each \$1.60; 3 or more, each \$1.45.

CHERRY - Oka

The Oka Cherry has proved to be one of the sweetest and finest quality hybrid Cherries for this area. Black, red flesh, bears heavy crops. Select transplants, 3 ft. and up. Each \$1.60; 3 or more, each \$1.45.

CURRENTS - Red Lake

The Red Lake Currant has a large fruit, bears heavily and is recognized as the best in Currant varieties. The beautiful red jell is marvelous. Easy to grow. No. 1 plants, 5 for \$2.25.

STRAWBERRIES

Superfection. The heaviest producing everbearer. Big, firm, juicy berries of rich flavor. Hardy in all sections. In trial plots they have produced at the amazing rate of 11,814 quarts per acre. Wonderful for eating fresh, for preserves, canning and freezing. Excellent plant makes self-pollinating. 25 for \$2.60; 50 for \$4.45; 100 for \$7.10; 500 for \$25.00, postpaid.

RASPBERRIES - Latham

The Latham Raspberry is sensational in yield and profit. Easy to grow and very hardy. This is Minnesota's great market berry. No. 1 plants, 25 for \$4.00; 50 for \$7.50; 100 for \$14.00.

RHUBARB

Canada Red, one of the most recent developments in Rhubarb, seems to be the pick among the experts. Superior in quality and flavor and produces a year sooner than most varieties. No. 1 plants, 3 for \$2.25; 6 for \$4.00.

GOOSEBERRIES

The PIXWELL originated here at the North Dakota State College, without doubt is the supreme in Gooseberries. Almost thornless, fruits heavily, easy to pick hence its name, delicious flavor, very large berries. No. 1 plants, 3 for \$2.25; 6 for \$4.00.

ASPARAGUS

Mary Washington is considered the better variety, large tender green tips, mild, rich, full of flavor. 25 for \$1.50; 50 for \$2.75; 100 for \$5.00.

Hybrid Plum

Red Lake Currants

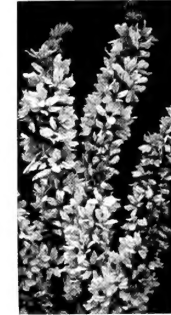

Canada Red Rhubarb

Mary Washington Asparagus

PEONIES

Our Peonies are the finest that money can buy in colors Red, Pink, White. They are not of the cheap bargain varieties but are selections that we have made from hundreds of named Peonies. They have won more first prizes at shows all over the country than any others we know of. Peonies last a lifetime so it is wise to plant the best. We want you to have the finest that the market affords. You will receive strong divisions that will bloom the first year. You may select any colors, either red, pink or white or mixed. Plant spring or fall. Each 98c; 3 for \$2.65; 6 for \$5.20.

Peony

LYTHRUM

This particular variety originated at the Morden Experimental Station, Morden, Canada. Blooms all summer. Grows 3 to 4 ft. high. Rose-pink flowers. Very sensational and so hardy and seems to grow any place. Space plants 18 inches apart. Plant spring or fall. 6 for \$3.00; 12 for \$5.75.

Lythrum

FUNKIA

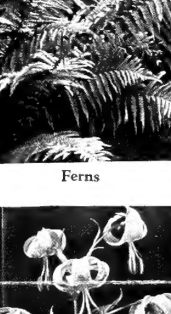

A Lily variety. Looks like a tropical plant with large green leaves, purple flowers. 1 1/2 ft. high. Makes a beautiful border. Space about 18 inches apart. Plant spring or fall. 3 for \$1.60; 6 for \$2.88.

Funkia

BLEEDING HEART

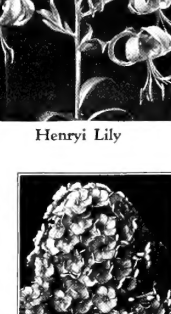

Everyone loves the old-fashioned Bleeding Heart. Pink flowers. 1 1/2 ft. high. Space 3 ft. apart. Plant spring or fall. Extra strong roots, 3 for \$2.43.

Bleeding Heart

FERNS

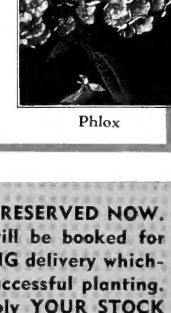

Hardy outdoor variety. Choose a shady spot. A large bed of Ferns always commands attention. Plant spring or fall. Space 12 inches apart. 6 for \$2.40; 12 for \$4.32.

Ferns

YELLOW DAY LILY

There are many of these varieties. This is a new introduction, lemon-yellow color. You will think a lot of this one. Plant spring or fall. Space 12 inches apart. 3 for \$1.60; 6 for \$2.88.

Yellow Day Lily

LILIAM HENRYI

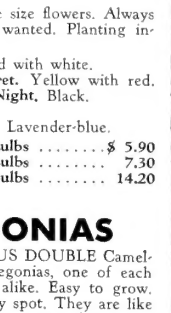

A splendid border plant with fine foliage, numerous deep orange-yellow flowers. Blooms August-Sept. Do not overlook this wonderful Lily. Space 12 in. apart. Plant spring or fall. 3 for \$1.60; 6 for \$2.88.

Lilium Henryi

PHLOX

Phlox are packed not less than 6 to an order in three colors, two of each. They bloom mid-summer. Our selections are choice ones and the most showy in the garden or borders. Very fragrant. Plant in spring only. 6 for \$3.00; 12 for \$5.40.

Phlox

NURSERY STOCK should be RESERVED NOW.

On receipt of your order it will be booked for either this FALL or next SPRING delivery whichever we think is best for its successful planting. Please remember that to supply YOUR STOCK at these LOW PRICES—your order must reach us promptly so that we can plan accordingly and RESERVE it for you.

SHADE TREES

All Our Nursery Stock is State Inspected to Assure You 100% Satisfaction

NOTE: When ordering 3 or 5 of a kind you save 10%. Our shade trees are all transplants—not seedlings.

CRIMSON KING MAPLE (Plant Patent No. 735)

New! Spectacular! Beautiful. Words can hardly describe this lovely tree. Leaves are brilliant crimson all summer long. Grows like any other majestic tree. Select grafted stock, 5- to 6-ft. whips, each \$4.60; 3 or more, each \$4.10.

SOFT MAPLE

A good fast growing shade tree. Fall colorings are shades of gold. Do not overlook the Maples. We highly recommend them. Select trees, 5- to 6-ft., each \$1.80; 3 or more, each \$1.60.

MOUNTAIN ASH

The tree with the red berries. Fern-like foliage, white blossoms followed by clusters of scarlet berries remaining in late summer and fall. Select transplants, 4 to 5 ft., each \$2.85; 3 or more, \$2.55.

WEeping WILLOW

Golden bark, slender drooping branches. An old favorite. Narrow green leaves. Ideal for back yard or close to pools. Select transplants, 4 to 5 ft., each \$1.35; 3 or more, each \$1.20.

LOMBARDY POPLAR

Used for sky-line effects and screening the background. Narrow and columnar. Very rapid grower. Our trees are low branched and should not be cut away from the trunk at the bottom. Select transplants, 5 to 6 ft., each 90c; 3 or more, each 80c.

AMERICAN ELM

The All-American hardwood tree. Rapid of growth and very hardy. Grows anywhere. What is more beautiful than a stately Elm in your yard. Ideal for lawn and boulevard. Select transplants, 5 to 6 ft., each \$2.10; 3 or more, each \$1.90.

GREEN ASH

Another excellent hardwood tree. Planted extensively in the Dakotas. Dark green leaves. A good lawn and shade tree. Do not confuse this with the White Ash so commonly planted. Select transplants, 5 to 6 ft., each \$1.95; 3 or more, each \$1.75.

CUT-LEAF WEEPING BIRCH

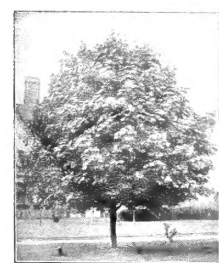

Most favorite ornamental tree of all. Very hardy and grows rapidly. Here in Fargo and Moorhead we have some of the finest specimens that can be found in the entire United States. Beautiful white bark with slender weeping branches and small lacinated leaves. Select transplants, 5 to 6 ft., each \$3.75; 3 or more, each \$3.35.

WHITE NATIVE BIRCH

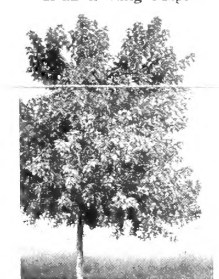

This is not the Weeping Birch but it is a lovely and very hardy tree distinguished by its white bark on trunk and branches. Several can be planted for a clump effect, usually three or four in the same hole. Select transplants, 4 to 5 ft., each \$2.70; 3 or more, each \$2.40.

HOPA FLOWERING CRAB

In the spring this tree is loaded with rose-pink flowers and later in the summer followed by rich crimson colored small Crab Apples, often used for jelly. Our finest and most popular flowering tree. Select transplants, 4 to 5 ft., each \$2.70; 3 or more, each \$2.40.

HEDGES

NOTE: 25 or more plants sold at the 100 rate.

COTONEASTER. Can be kept sheared from 2 to 4 ft. Our most popular hedge with dark green shiny foliage. Thickly branched close to the ground. Colors to a brilliant red in fall. Space 18 inches apart. 12-18 in., \$35.00 per 100.

HONEYSUCKLE. Without trimming will grow 10 to 12 ft. high. Can be kept sheared to 4 ft. if desired or less. For a back screen this is unequalled. Lovely red flowers, berries late in the fall, attractive to birds. Very hardy. Space 2 ft. apart. 12-18 in., \$35.00 per 100.

Clematis Jackmani

VINES

CLEMATIS (Jackmani)

Large purple flowers flaunting their beauty for everyone to enjoy. For trellises, arbors, etc. Grows 6 to 8 ft. high. No. 1 vines, each \$1.60; 3 for \$4.55.

BOSTON IVY

Clings tight to brick, stone or stucco. Very lovely for brick chimneys. Dark green foliage. Not loose hanging like many vines. Compact and beautiful. No. 1 plants, each \$1.15; 3 for \$3.10.

BETA GRAPE

Ideal for fences, arbors, trellises, etc. Tasty fruit makes wonderful jelly. Foliage is beautiful. No. 1 plants, 5 for \$2.70.

Order Early!

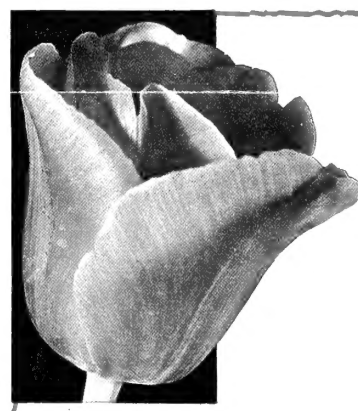

Beta Grape

CARAGANA. Light green foliage with yellow flowers. Should be kept trimmed to about 4 ft. high. Will grow in poor soil, drought and alkaline resistant. Space 1 ft. apart. 2-3 ft., \$12.00 per 100.

SPIREA. Bridal Wreath. Grows about 4 to 5 ft. high. Pure white flowers. Gives privacy without overdoing it. Can be trimmed if desired into box form. Looks best untrimmed. Space 2 ft. apart. 12-18 in., \$25.00 per 100.

DWARF NINEBARK. Grows about 4 to 5 ft. high. Looks best when trimmed into box form. Thick growing from the base and up. Space 2 ft. apart. 12-18 in., \$35.00 per 100.

JAPANESE BARBERRY. The ideal low hedge, about 2 ft. high. Sharp thorns. Dark green foliage, turns brilliant red in fall. Red berries remain all winter. Space 12 inches apart. 12-18 in., \$35.00 per 100.

TULIPS TULIP BULBS Should be Reserved Now for Fall Planting

From the large fields of Holland we receive these genuine IMPORTED Tulip bulbs in the Darwin, Cottage and Triumph named varieties. You will receive the cream of the crop from Christianson's, if your order is received promptly and in time so that we can reserve your special bulb order. These bulbs are shipped by refrigerated steamers across the Atlantic Ocean and arrive here in perfect condition.

These bulbs are all top-size grade and will produce large size flowers. Always insist on top-grade bulbs. Choose any color combination wanted. Planting instructions included on bulb planting.

IT'S EASY TO ORDER BY MAIL

Write us a letter stating what you want and we will see to it that you get nice stock. Be sure to print your name and address on both your letter and envelope, thus avoiding errors and delay. It is always best to order your stock early.

REFERENCE: Fargo National Bank, Fargo, North Dakota.

How To Order

Our nursery stock must measure up to the full value of your dollar. Our exchange must be equal and mutually satisfactory. GOOD CUSTOMERS are the life blood of any business. That's why we value ours so highly. We know that a Company can be judged by the customers it keeps. The fact that they continue to come back in ever increasing numbers, we feel, indicates our efforts are not only successful but also appreciated.

GUARANTEE:

We guarantee all nursery stock purchased from us to reach you in good, live growing condition. Any tree or plant that should fail during the first growing season due to weather conditions or climatic conditions beyond our control, we will replace once at a cost of one-half the regular purchase price as listed in this catalog, customer to make his report along with remittance and have his order in our hands before October 10th, following date of purchase. We cannot be held liable for any damage other than herein named.

SHIPPING COSTS: The customer pays the shipping costs from Fargo, North Dakota, to his destination either by express or freight except where otherwise stated. Express is most desirable on small shipments, freight on bulky shipments. When not instructed how to ship we will use our best judgment.

FRIGHT PACKING: No additional charge for packing, crates, bales, boxes, etc.

SALES TAX: North Dakota customers, please include the 2% required in your remittance.

PLANTING INSTRUCTIONS: Complete planting instructions accompany each shipment.

HOW TO ORDER—ORDER EARLY: Your shipment will be made at the proper planting time. Include remittance by personal check, money order or bank draft. Do not send stamps. If you send cash register your C.O.D. SHIPMENTS: Orders up to \$5.00 cash is required. Over \$5.00 we require either all cash with order or if customer prefers one-fourth cash with order and balance C.O.D.

Christianson Landscape Service

FARGO, NORTH DAKOTA

All our Ornamental Flowering Shrubs are select transplants graded by experts under the rigid standards of the American Association of Nurserymen. From Christianson's you will receive hardy northern grown field plants with lots of roots. In the fields they have withstood the low temperatures and varied climatic conditions that must be endured in your own home grounds. This means hardiness. We have specified the preferred sizes for good successful planting.

A—PRUNUS TRILOBA

From one end of the country to the other this shrub seems to be the most popular. Its masses of double pink blossoms in the early spring before the leaves unfold is truly a beautiful sight. 18-24 in., each \$1.20; 5 for \$5.40.

B—PRUNUS CISTENA

Grows about 6 ft. high. Has rich wine-colored foliage all summer long. A lovely accent plant in either foundation or border. You'll like this one. 18-24 in., each \$1.20; 5 for \$5.40.

C—SPIREA VAN HOUTTEI

Long, graceful, drooping sprays of white flowers. Grows anywhere. Often called the Bridal Wreath. One of the best and hardiest of all shrubs. 18-24 in., each 45c; 5 for \$2.03.

D—SPIREA SORBIFOLIA

A good shade-loving shrub. Has fern-like foliage with white plummy spikes of blossoms. Grows 3 to 4 ft. high. Very beautiful. 18-24 in., each 80c; 5 for \$3.60.

E—SPIREA FROEBELI

Large rosy crimson flowers. Suitable for most any location where a low shrub is required. Grows well either shade or sun. 12-18 in., each 60c; 5 for \$2.70.

F—SNOWBALL

Continues to hold the affection of planters everywhere. Has masses of white snowball-like flowers. 18-24 in., each \$1.25; 5 for \$5.62.

G—HYDRANGEA (Arborescens)

This is the hardy variety. Immense crops of large showy white flowers. Sometimes called Hills of Snow. Blooms June to frost. 12-18 in., each 56c; 5 for \$2.52.

H—DOGWOOD (Red Twig)

Grows 5 to 6 ft. high. Good in shade. Has white flowers. Its great usefulness lies in its red bark and twigs for the winter landscape. 18-24 in., each 60c; 5 for \$2.70.

J—CORNUS (Variegated)

Its variegated foliage is beautiful. Thanks to good old Mother Nature. Very dark red branches and twigs in the late fall brings life into your winter landscape plantings. 18-24 in., each 90c; 5 for \$4.05.

K—SNOWBERRY

Very desirable low-growing shrub producing white berries that remain into winter. Grows well under trees or in the shade. 12-18 in., each 45c; 5 for \$2.03.

L—HIGHBUSH CRANBERRY

White flowers. Lovely foliage all summer, gorgeous in its autumn coloring. Grows about 6 to 7 ft. high. 12-18 in., each 70c; 5 for \$3.15.

M—CARAGANA (Pygmaea)

A low bushy dwarf shrub originated in Canada. Very hardy. Unlike the common varieties. Has yellow large golden bronze flowers. Grows about 2 to 3 ft. high. Unexcelled for corner sidewalk plantings. 12-18 in., each 75c; 5 for \$3.37.

N—MOCK ORANGE (Coronarius)

This good old-fashioned variety has its place in every yard. Grows 8 to 9 ft. high. White fragrant flowers. 12-18 in., each 60c; 5 for \$2.70.

O—MOCK ORANGE (Minnesota Snowflake)

(Plant Patent No. 538.) Undoubtedly one of the most sensational flowering shrubs in the Mock Orange family. Large double white very fragrant flowers. Must be seen to be appreciated. Grows about 8 ft. high. 18-24 in., each \$1.10; 5 for \$4.95.

P—MOCK ORANGE (Virginalis)

Very popular among our Fargo-Moorhead customers. Semi-double, white, fragrant flowers. Grows about 3 to 4 ft. high. We think this is one of the most beautiful of all shrubs. 12-18 in., each 60c; 5 for \$2.70.

R—LILACS (French Hybrids)

Here is your chance to get at low cost the beautiful French Hybrid Lilacs, your choice of colors: dark red, deep blue or white. All double. The most choice of color selections and they are very fragrant. Will not sucker. Flowers much larger than ordinary Lilacs. 12-18 in., each \$1.15; 5 for \$5.17.

S—LILAC (Persian)

Unlike the common Lilacs. Will not sucker. Grows about 6 to 7 ft. high. Fragrant purple flowers. 18-24 in., each 60c; 5 for \$2.70.

T—MOCK ORANGE (Lemoine)

White fragrant flowers. Densely branched. Low-growing, about 3 ft. Suitable for foundation and border plantings. 12-18 in., each 60c; 5 for \$2.70.

V—HONEYSUCKLE

The newest and best variety of the many Honeysuckles offered for sale. Dark red blossoms followed by beautiful red berries. The birds love it. Excellent for background and screening out undesirable views. 12-18 in., each 60c; 5 for \$2.70.

W—COTONEASTER

Best all-around shrub for both foundation and border plantings. Dark green shiny foliage in summer. Beautiful in its autumn coloring. We think it tops. 12-18 in., each 45c; 5 for \$2.03.

X—HEDGES

Demonstration hedges at the Experimental Station, Morden, Manitoba, Canada. For prices on hedges see the other side of this catalog.

A Hedge Study

A-1—BARBERRY (Red-leaf)

The same habit of growth as the Green-leaf Barberry. Its foliage however is a dark wine color all summer. Looks rich and provides much character in any planting. Barberry grows well in shade as well as sun. 15-18 in., each 85c; 5 for \$3.82.

A-2—BARBERRY (Green-leaf)

Low dwarf shrub for both foundation and border plantings. Stylish and necessary in good designs. Foliage beautiful red in fall. Attractive red berries all winter long. 15-18 in., each 65c; 5 for \$2.92.

A-3—RUSSIAN OLIVE

Tall growing tree-like shrub about 14 to 16 ft. high. Silvery foliage—useful for screening out undesirable views or as an individual large shrub. Very hardy. 12-18 in., each 60c; 5 for \$2.70.

A-4—NINEBARK (Dwarf)

A very good shrub about 5 ft. high. Thickly branched and suitable for house foundation or borders. Good foliage and has white flowers. 18-24 in., each 70c; 5 for \$3.15.

A-5—GOLDEN ELDER

Foliage is yellow-gold. Grows about 5 to 6 ft. high. Good contrast with other shrubs. 12-18 in., each 80c; 5 for \$3.60.

A-6—CURRANT (Alpine)

Low-growing shrub. Densely branched, good in shade, recognized by landscape experts as one of the best foliage shrubs for all-around purposes. Not very plentiful in supply. 12-15 in., each 80c; 5 for \$3.60.

A-7—RUGOSA ROSE (Hansa)

Another good shrub Rose 3 to 4 ft. high. Large, double red, ever-blooming. Very hardy and showy. Why not plant a dozen or more and enjoy thousands of fragrant blossoms all summer long. 12-18 in., each 90c; 5 for \$4.05.

A-8—TAMARIX

There are many varieties of Tamarix but this is the only one we know of that is hardy. The shrub is outstanding, grows 10 to 12 ft. high. Has pink feathery bloom and lacy fine foliage. 12-18 in., each 60c; 5 for \$2.70.

A-9—RUGOSA ROSE (Hugonis)

Grows 5 to 6 ft. high and a typical shrub Rose. Single yellow fragrant flowers. Grandmother's favorite. Early summer flowering, loaded with flowers. 12-18 in., each 80c; 5 for \$3.60.

NOW YOU can buy direct from Christianson's nationally recognized professional Landscape Firm at the lowest possible cost—YOU WILL SAVE the middleman operating cost and the usual salesmen's commissions. It pays to buy direct from the distributor who is experienced in the landscape profession.

CHRISTIANSON'S Nursery Stock comes to you from the finest specialized growers in our northern area and Canada. There are thousands of expert supervision to produce QUALITY STOCK. During the years of its growth it has had to survive varied climatic conditions such as drought, extremely cold temperatures and hot, drying winds. This does insure for you hardy stock that will produce luxuriant growth that you want and for which you are entitled to. YES, You Can Entrust Your Planting Problems to CHRISTIANSON'S.

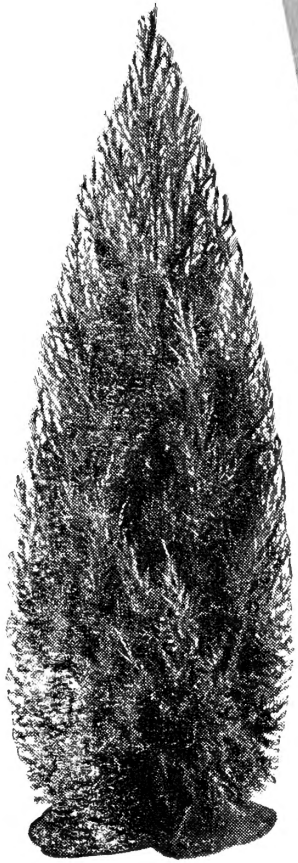

PLANTING

Creates Beauty
Increases Property Value

NOTE THE LOW EACH PRICE and when you order SHRUBS 5 of the same variety YOU SAVE 10 PERCENT additional. This does not apply to assorted mixed varieties.

HARDY *Evergreens*

All our evergreens are select specimens adapted for the most exact landscape use. Quality stock that cannot be surpassed elsewhere in the entire Northwest. Each tree is expertly balled with earth and will continue to grow in its own soil without interruption. It is very unwise to plant large evergreens that have been dug bare-root and without soil and a good ball. You may be sure that our evergreens are good ones. BB means balled in earth.

PYRAMIDAL JUNIPER (Grafted)

Here is the most beautiful of all Pyramidal Junipers. Thick foliage, requires no trimming as it retains its pyramidal form and will not grow rank or out-of-bounds. By grafting we get the true reproduction of its parent tree. Ideal for house corners, step or doorway entrance. Grows about 5 to 6 ft. high. **Select specimens, 2½-3 ft., BB, each \$12.50.**

MUGHO PINE

Round, globular in form, with thick growth of pine needles. Should be sheared annually in June to retain its thick, compact, round form. Ideal for framing a low brick step entrance. Very hardy. **12-15 in., BB, each \$6.00.**

PYRAMIDAL ARBORVITAE

One of the most widely planted. Its bright green color and attractive form appeals to all. Natural pyramid. Requires no trimming. **Select specimens, 2½-3 ft., BB, each \$9.00.**

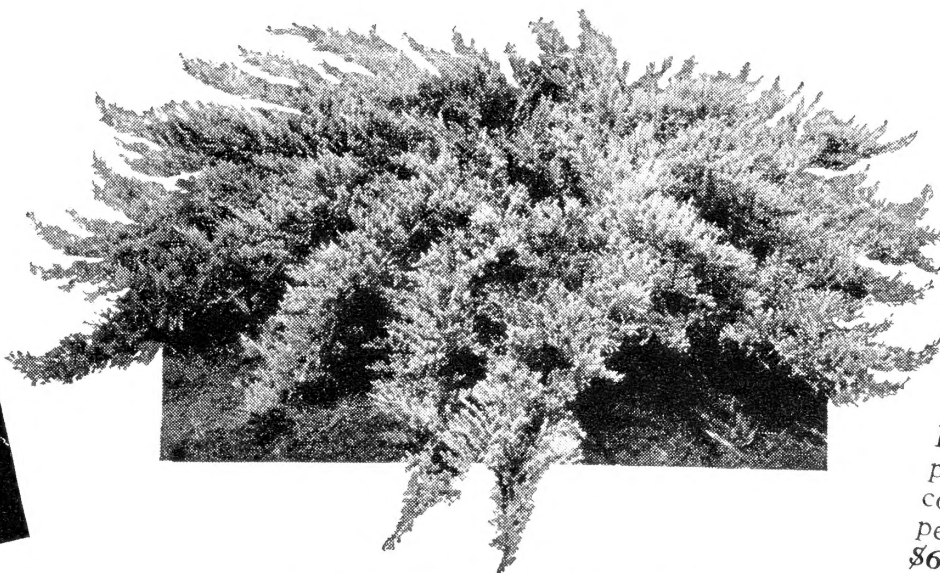

BLACK HILLS SPRUCE

Hardest of all Spruces. Thick, compact, highly ornamental as a specimen or in cluster plantings. Always a rich fresh green color. Sometimes runs to a bluish tint. **Select specimens, 2½-3 ft., BB, each \$9.50.**

PFITZER JUNIPER

Low growing and used extensively for foundation and border plantings. Very hardy. **Select specimens, 15-18 in., BB, each \$7.50.**

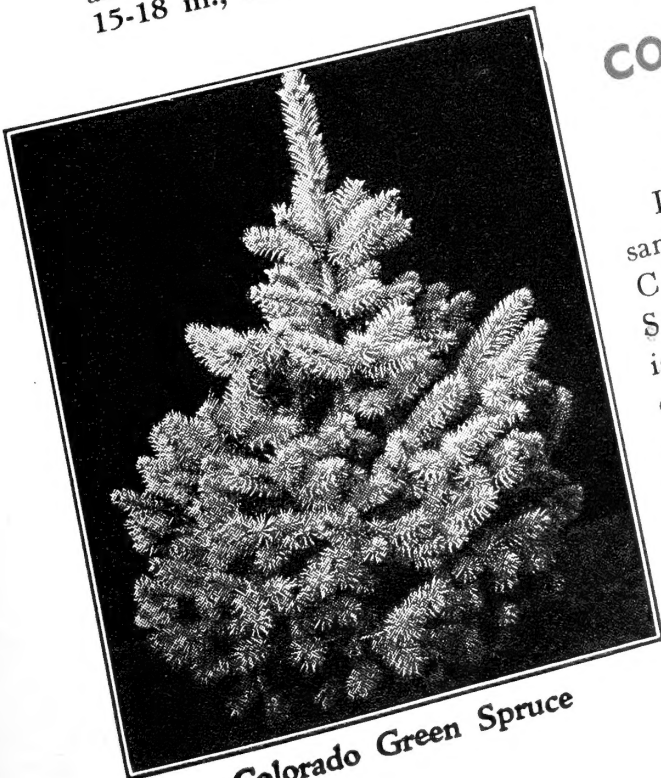

ANDORRA JUNIPER

Of great value in landscaping, low growing. Used for terraces and sloping banks. Tips of branches turn to pinkish color in fall. Lovely green in summer. Very popular. A beautiful evergreen. **Select specimens, 15-18 in., BB, each \$6.50.**

SAVIN JUNIPER

One of the finest low-growing evergreens. Flat or prostrate. Excellent for foundation plantings and very appropriate for grave lots in corners or next to monument. Hardy and dependable. **Select specimens, 15-18 in., BB, each \$6.50.**

COLORADO GREEN SPRUCE

Identically the same tree as the Colorado Blue Spruce only that it is more green in color. **Select specimens, 2½-3 ft., BB, each \$12.50.**

RED CEDAR

Nature planted it over almost the North American continent. As winter approaches tips of branches become pinkish in color. In summer its color is a lovely green. Very hardy and of pyramidal form. May easily be trimmed and shaped into various forms. Exceptionally hardy. **Select specimens, 2½-3 ft., BB, each \$9.00.**

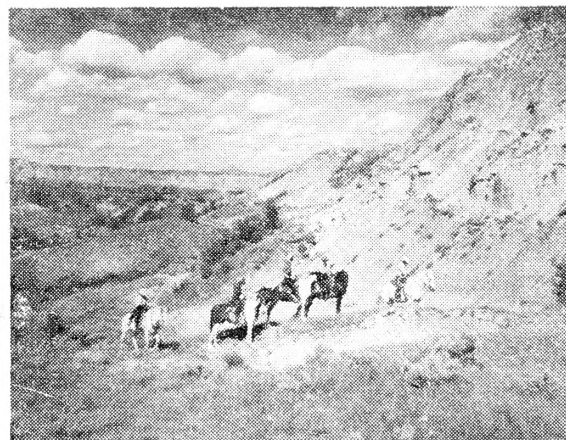

Red Cedar

TO OBTAIN THESE LOW PRICES your stock should be reserved **AT ONCE** for both **FALL** and **SPRING**. Your stock then will be reserved for you and delivery or shipment will follow either **Fall** or **Spring**, whichever is best for its successful planting.
